Dear Mr. Tran:

This letter is regarding the Southern Wisconsin Center Restructuring Initiative Ch. 50 Resident Relocation Plan you approved on April 15, 2009. The Division of Long Term Care is requesting approval to amend this Plan to reflect the passage of 2009 Wisconsin Act 28 (the 09-11 Biennial Budget Act).

With the passage of the 09-11 Biennial Budget, the number of resident relocations planned over the 28 month course of the approved Ch 50 Plan has been revised from 100 to 70.

The number of projected resident relocations continues to be an estimate. The Restructuring Initiative continues to be entirely voluntary; the number of actual relocations depends upon the number of guardians who choose community living for their wards.

Thank you for your attention to this change.

Sincerely,

A handwritten signature in cursive that reads "Fredi-Allen Bove".

Fredi-Allen Bove  
Interim Administrator
