

# RADON MEASUREMENT CONTRACTORS IN WISCONSIN

Wisconsin Division of Public Health

SEPT. 2009

The list below is combined from two national radon-proficiency certifying organizations whose web sites carry the most up-to-date information. There are no State of Wisconsin regulations specifically for radon businesses.

National Environmental Health Association - Radon Proficiency Program, [www.radongas.org/](http://www.radongas.org/)

National Radon Safety Board - Radon Proficiency Program, [www.nrsb.org/](http://www.nrsb.org/)

*To be listed by them, an individual must pass a national exam, meet continuing education requirements, maintain a quality-assurance program and follow appropriate testing protocols. For further information on radon see our web page: [www.lowradon.org](http://www.lowradon.org), or call a Radon Information Center in Wisconsin toll-free, 888-LOW-RADON (888 569-7236). This list does not constitute endorsement by the State of Wisconsin, Department of Health Services*
