

INDOOR AIR QUALITY CONSULTANTS LIST

As of November 2009

This list is NOT an endorsement of any company's capabilities by the Wisconsin Department of Health Services (DHS) nor does it imply preference over other companies not listed. The List is a resource to those interested in obtaining these specialized services, but not sure where to begin. It is advisable to conduct reference checks before engaging any listed or other company to perform such services to maximize satisfactory job performance. In addition, please familiarize yourself with the information provided at the website below. It will help you evaluate the ability of the contractor to perform according to recommended practice. For tips on how to select a consultant, see the Wisconsin DHS, DPH, Bureau of Environmental and Occupational Health website: <http://dhs.wisconsin.gov/eh/mold/>.
