Numbered Memo Series 07-03
November 2007

TO: First Responder and Ambulance Service Providers
EMS Training Centers
Service Medical Directors

FROM: Brian Litza, Chief
Emergency Medical Services Section
Bureau of Local Health Support and EMS

RE: EMS Section Positions

This is a two part memo to update everyone on the positions we currently have within the EMS office. In addition to these we are still working on the trauma coordinator position and hope to have a solution in the near future.

INTERMEDIATE COORDINATOR

I am very pleased to announce that Frederick Hornby will be joining the Bureau of Local Health Support and Emergency Medical Services to fill the Human Services Program Coordinator - Sr. (EMT Intermediate Coordinator) position in the EMS Systems and Licensing Section.

Fred, who is currently employed as Deputy Director of Operations for Bell Ambulance, Inc. Milwaukee comes to the Division of Public Health with a wealth of knowledge and experience at all levels of Emergency Medical Services. He has strong experience with local EMS as well as being a state certified EMS instructor for the Technical College System. He is well spoken and has the skill set necessary to work cohesively with the EMS Community. The majority of his working career has been in EMS which gives him a deep understanding of the history and function of EMS in Wisconsin.

Fred will be officially starting today, November 12, 2007 but will have limited office days until he completes his exit from Bell Ambulance. Please help me welcome him into his new position.

PARAMEDIC COORDINATOR

It is with disappointment that we must announce that Cathy Etter, our paramedic coordinator, has submitted her resignation to our office identifying her last day as January 4, 2008. Cathy has taken a flight nurse position with Life Link III in Rice Lake. Cathy has submitted a calendar of work that will allow her to be in the office 2-3 days each week. This will allow her to complete in process work and prepare for hand off of her tasks to others. Cathy has been a valuable asset to our section for the last three years and she will be missed. Please help me in extending best wishes to her future endeavors.
