2. **Recovery Movement: Exciting News from Around the US - Presentation by Dr. Daniel Fisher**

Dan obtained a PhD in biochemistry and carried out neurochemical research at the National Institutes of Mental Health. During the course of that work, he was labeled with mental illness. He recovered, earned a medical degree and became a psychiatrist. As co-founder and Executive Director of the National Empowerment Center, he has been an outspoken advocate for rights and recovery. Dan was a Commissioner on the White House New Freedom Commission on Mental Health. He is also one of the founding members of the National Mental Health Consumer/Survivor Organization. Dan promotes recovery throughout the US and in Japan, Sweden, Denmark, Holland, United Kingdom, Portugal and Korea.
