

Wisconsin's Trauma-Informed Care and Person Centered Planning Champions: A TIC/PCP Consumer Champion Project Overview

TIC/PCP Consumer Champion Leaders:

Molly Cisco (Grassroots Empowerment Project)

Mary Neubauer (Recovery Specialist)

Joann Stephens (Stable Life)

Paula Verrett (Consumer Advocate)

Dept. of Health Services, Bureau of Prevention Treatment and Recovery Staff Support:

Florene Birch (Mental Health Nurse Consultant)

Elizabeth Hudson (Trauma Services Coordinator)

Linda Sires (Person-Centered Planning Coordinator)

Wendy Warren (Consumer Affairs Coordinator)

Timeline:

March 2009

- Open application process for Mental Health Consumers across the state to become TIC/PCP Consumer Champions.
- Selection process: Champion Leaders and DHS Staff reviewed applications and select sixteen (16) TIC/PCP Consumer Champions.

April 2009

- Training for Consumer Champions: Public Speaking and a brief presentation on TIC in preparation for the May 11th and 12th TIC conference in Wisconsin Dells.
- Person-Centered Planning (PCP) training: Diane Grieder

May 2009

- Consumer Champions attended May 11th and 12th TIC Conference and assist conference attendees in writing TIC Action Plans.
- The "National Center for Trauma-Informed Care" featured Wisconsin's May TIC conference in their e-newsletter with particular attention to consumer involvement.

August 20, 2009

June 2009

- May TIC conference debriefing with the TIC/PCP Champions: Elizabeth Hudson
- Champions provide feedback to Elizabeth Hudson regarding revisions to the TIC Overview PowerPoint. Each Champion prepared/presented several slides in the TIC PowerPoint.
- Training on Recovery Principles: BethAnn Burazin and Mary Neubauer

July 2009

- Person-Centered Planning PowerPoint presented: Champion Leaders
- Consumer Champions prepare and present selected PCP power point to Consumer Champion group.

August 2009

- Consumer Champions attend August 31st TIC conference in Stevens Point.
- Conclusion of the TIC/PCP training.

Next Steps:

- Champions will be available to train Wisconsin Consumers on the principles of Trauma-Informed Care and/or Person-Centered Planning.
