Most families participating in the Wisconsin BadgerCare Plus program receive their health care through HMOs (Health Maintenance Organizations). This guide will help you choose an HMO for your family. You must choose the same HMO for all eligible family members.

Not all HMOs in this guide are available to you. You may choose from the list on your HMO Enrollment Choice form. HMOs marked “full” do not have room for new members.

The Wisconsin BadgerCare Plus HMO Enrollment Specialist is available toll free at **1-800-291-2002** from 7:00 a.m. to 6:00 p.m., Monday through Friday to answer your questions about HMO enrollment. The Enrollment Specialist provides language translations for those who need it.

The Enrollment Specialist can tell you if your doctor accepts any of the BadgerCare Plus HMOs. The Enrollment Specialist can also enroll you into the HMO of your choice right over the telephone or they can help you complete the form.

Thank you for choosing your Wisconsin BadgerCare Plus HMO!

## ***2008 Wisconsin BadgerCare Plus HMO Report Card***

The ***Wisconsin BadgerCare Plus HMO Report Card*** can help you choose or change your HMO. It compares one HMO to another in five areas of health care and four areas of enrollee satisfaction.

They are:

### **Health Care**

- Shots (vaccinations) for children
- Blood lead screening for children
- Diabetes care
- Asthma care
- Pap tests for women

### **Satisfaction With**

- HMO customer service
- Getting needed care
- The HMO
- HMO health care

The health care ratings are based on information about services HMOs provided to BadgerCare Plus enrollees.

The satisfaction ratings are based on a survey of HMO enrollees on these topics:

***HMO customer service*** shows how well their HMO handled questions or problems.

***Getting needed care*** shows how they rated how easy it is to get an appointment.

***The HMO*** shows how enrollees rated their HMO overall.

***HMO health care*** shows how they felt about the quality of care they received.

Each HMO is rated on a scale of one to three stars.

- ★ One star means the HMO scored below the average score of the other HMOs.
- ★★ Two stars mean the score was average.
- ★★★ Three stars mean the HMO scored above average.

A below-average score does not mean that the HMO provides poor care or bad service. It means that the HMO scored below average compared to other HMOs. An HMO is above or below the average only when the difference is large enough to show a true difference in performance.

The high and low scores on each item are shown at the bottom of the table. This shows that the difference between the scores for above average, average and below average can be quite small, quite large in others.

For more information about HMOs, call the HMO Enrollment Specialist at **1-800-291-2002**.
