

Amendment I

RFP 1637-DLTC-SM
Pharmacy Management Services For the
Department of Health Services

It has been brought to the attention of DHS that there is a discrepancy in Attachment 1 and Attachment 8 on the number of clients at the Wisconsin Resource Center (WRC). The correct number is 449 as shown in Attachment 1, not 112 as shown in Attachment 8.

Attachment 8 has been replaced with Attachment 8-REV showing the correct number of 449 for WRC clients. The discrepancy occurred because the computer system used to obtain client payment source data only includes WRC's Chapter 980 patients, and does not include WRC's correctional inmates. **The total number of clients at WRC to be used in preparing proposals is 449. The Attachment 8-REV has been uploaded to Vendornet as a separate document to replace Attachment 8.**

In addition, to allow vendors to make any adjustments to their proposals due to the discrepancy and subsequent amendment, **the due date for all facility proposals has been extended to April 15, 2009 4:00 PM.**
