

Diabetes Initiatives to Address Equity

September 28, 2022

Additional Information and Resources

We want to hear from you about where your care and management challenges are for patients with diabetes and prediabetes, how you feel we can improve our statewide programming focus areas and initiatives:

- Take our survey at www.surveygizmo.com/s3/7030522/Diabetes-Action-Plan-Survey.
- Spanish and Hmong translated surveys coming soon and will be posted to <https://www.dhs.wisconsin.gov/disease/chronic-disease.htm>.
- Email dhschronicdiseaseprevention@dhs.wisconsin.gov with the subject line: “Diabetes Action Plan and Program Feedback.”

Prediabetes webpages: www.PreventDiabetesWI.org

- Awareness materials: <https://www.dhs.wisconsin.gov/prediabetes/promotional-resources.htm>
- Employer resources: <https://www.dhs.wisconsin.gov/prediabetes/employers.htm>
- HELP SPREAD THE WORD ABOUT PREDIABETES. Wisconsin now has its own prediabetes risk test URL. Use this link to promote the prediabetes screening test on your website, on social media, and to your circle of influence: <http://www.diabetes.org/widhsrisktest>.

Personal Continuous Glucose Monitoring (CGM)

- WI Diabetes Advisory Group [CGM Survey Summary](#), conduct in 2021 and shared with DHS Division of Medicaid Services (DMS) earlier this year.
- DMS updated [CGM coverage and prior authorization \(PA\) approval policies](#) (effective January 1, 2022).
- Patients 21 years and under are covered under [HealthCheck, Other Services](#). Click here and then click acceptance statement at bottom to proceed into site.
- To find policy updates go to <https://www.forwardhealth.wi.gov/WIPortal/>
 - Under Policy and Communication section, click ForwardHealth Updates
 - Search by year and/or provider type, other program, or keyword (used keyword “CGM” today for demonstration purposes)
- View the [archived training](#) on updated CGM PA and Coverage Guidelines and the [archived training](#) on submitting a prior authorization for CGM devices on the ForwardHealth portal.
