**Updating Contact** Information **IMAC** Presentation August 2024 

#### **Current State**

- Members can enter their email on the Manage My Email page in the Check My Benefits module in ACCESS. They can also indicate their paperless preference and HMO email preference on the Manage My Email page. Generally, they can update their phone numbers in Report My Changes.
- IM Workers can collect information about members' paperless preference, consent to receive emails from health care partners, and contact information in CWW. That information is captured on the following pages:
  - o General Case Information page
  - o Electronic contact Information page
- Paperless preferences and HMO email preferences entered in CWW are displayed in ACCESS and vice versa.

#### **CARES Updates**

Starting October 19, 2024, when members are logged into ACCESS, they can navigate to the "Update contact information and preferences " page to enter their email address, phone numbers, and electronic communication preferences (paperless communications, emails, and texts). Additional updates are planned for next fall.

Information collected in ACCESS will be shared across CWW and Salesforce Marketing Cloud (SFMC), the hub for electronic communications with members. Similarly, information collected by workers in CWW will be shared across ACCESS and SFMC.

# **Changes in ACCESS**

### **Update Contact Info Link**

In ACCESS Check My Benefits (CMB), members who are signed in can select "Update Contact Info" on the Account Home page to go to the Update contact information and preferences page.

This link is also accessible through the global header.

Account Home Account Home My Letters My Benefits **View My Letters** This information is current as of Friday January 5, 2024. My Health Care Status Benefits Details Manage My HMO FoodShare DEVORAH-MSK's FoodShare benefits have ended **Treatment Needs Question** on Friday Sectember 30, 2022. BadgerCare Plus Health Survey **BadgerCare** Plus Request Explanation of Medical In January 2024, DEVORAH-MSK is getting Benefits (EOMB) BadgerCare Plus benefits. Get a New Card ForwardHealth Card DEVORAH-MSK is not eligible for W-2 in January £ 2024 My Account Manage My Account **Update Contact Info** My Benefits

On the "Update contact information and preferences" page, members who are logged into their ACCESS account can update and manage their:

- Email address
- Phone numbers
- Paperless preferences
- Text and email preferences
- Health care partner electronic consent

The specific information that can be edited on the "Update contact information and preferences" page depends on whether they are a primary person, primary person spouse, or other adult on the case.

For instance, both the primary person and primary person spouse can edit case-wide information like phone information. However, each person can only edit their own email address.

Members can indicate whether they want to receive letters about their benefits by regular mail or by email.

Members that select "Send me paper mail" will receive paper correspondence and will not be notified via email when a letter is posted to their account.

Members that select "Go paperless" will receive email notifications when a letter is posted to their account. Note: Some letters are required to be sent by regular mail.

# **Changes in CWW**

#### **CWW Updates**

Information entered by members on the "Update contact information and preferences" page is shared with CWW and the SFMC in real time.

Similarly, when workers enter information in CWW about communication preferences, that will populate in the member's ACCESS account and SFMC.

Also, with this project, when members enter changes in ACCESS to their phone numbers, workers will no longer need to acknowledge or otherwise process a change report for those updates.

#### **Updated Contact Information From ACCESS**

The screen on the left displays where a member enters their telephonic information in ACCESS and the screen on the right displays where that information is populated in CWW.

The following types of correspondence will be updated with instructions on how to find and use the "Update contact information and preferences" page in ACCESS to update one's contact information and communication preferences.

- Email Was Not Delivered (sent via paper)
- Confirmation: You Are Getting Letters Online (sent via paper and email)

#### **Email Was Not Delivered**

Members will receive this letter when an email cannot be delivered.

#### **Confirmation: You Are Getting Letters Online**

Members will receive this letter when they sign up for online letters. They will also get this if they change their email address or reopen a closed case that previously had paperless correspondence.

They will receive both paper and email copies.
