10:30 AM	Out-of-State Clinical/Field Opportunities	West	Keep this item on the agenda for the next meeting to allow the state office to research rule.	<p>There have been some concerns raised about some border training centers that are sending students into other states for their clinicals. James Newlun reached out to Minnesota and they stated the students cannot come into Minnesota unless they have a MN license. Illinois had stated the same.</p> <p>Does Wisconsin accept those students that are not attending a WI training center but want to do clinicals here? James would like to research administrative rule, but he is inclined to say no due to the legality of it.</p>
10:55 AM	ETF/Pension (Act 32)	West		<p>Due to Act 32, the instructor pool of retirees has dried up. This issue was brought up at a meeting at WTC. This may be brought up at the legislature level to potentially change this ruling that prevents a retiree from working more than 50% of the time while receiving a pension.</p>
11:00 AM	Adjourn	West		<p><b>Motion by Tim Weir, second by Dustin Ridings to adjourn. Motion Carried.</b>          Meeting was adjourned at 10:37</p>
