Agenda:

Topic:	Lead:	Follow-up Items:	Notes:
Introduction of STAC and EMS Boards	Dr. Beckman/Jerry Biggart		
Approval of STAC Meeting Minutes from March 22, 2017	Dr. Beckman		
Transport of Patients to Undesignated Trauma Care Facilities <ul style="list-style-type: none"> • Number of undesignated facilities • What is the affect in Rural Communities • Transport/triage guidelines • Recommendations from EMS and STAC Boards 	Joint Discussion w/ STAC and EMS Boards	<ul style="list-style-type: none"> • Jerry will share his protocols with Dr. Beckman and will determine next steps from there 	<ul style="list-style-type: none"> • Some EMS services are restriced from leaving their area so in some places there would need to be interfacility transport if patients are not being transported to undesignated facilities • This is a very complex issues with a lot of factors to consider including when and where the transport needs to take place. • There are currently 13 unclassified facilities. • Currently in statute and rule DHS does not have the ability to direct where services must take patients. It is really up to the EMS medical director for each service to determine the protocol for where to transport patients. <ul style="list-style-type: none"> ○ Medical directors should utilize the state trauma triage plan because it helps designate which patients are appropriate for which level • Might be helpful to lok at data from undesignated facilities including data on trauma, stroke, and cardio
Patient Tracking <ul style="list-style-type: none"> • Longterm overview of Patient Tracking Pilot 	James Newlun		
Registry Update <ul style="list-style-type: none"> • Status of new system 	Eric Anderson/Ashley Bergeron		<ul style="list-style-type: none"> • There are trainings around the state in summer for the new registry. Please contact Eric if you are interested in attending.

DHS118 Update	Bill Oemichen		<ul style="list-style-type: none"> The draft of DHS 118 is being reviewed by the Office of Legal Counsel. DHS is looking to hold at least two hearings on the rule – meetings will likely be in Madison and Wausau this summer. The goal is to have the rule passed by December 31, 2017 and for it to be implemented on July 1, 2018.
Committee Report outs (time permitting) <ul style="list-style-type: none"> Data Management Trauma Coordinators CRC RTAC Coordinators 	Dr. Beckman		<ul style="list-style-type: none"> Data Management <ul style="list-style-type: none"> Motion: Motion from STAC on the advice of the Data Management committee to make the inclusion of all trauma team activations in the state registry optional and to make the inclusion of hip fractures in the state registry optional. Vote: Approved by STAC. Next Steps: DHS will determine if, when, and how to implement this motion. CRC <ul style="list-style-type: none"> Motion: Motion from STAC on the advice of the CRC that a person in a named position in the trauma program must attend 50% of RTAC meetings annually. The same person may not represent more than three facilities. Attendance (by phone or in person) will be based on RTAC bylaws. Vote: Approved by STAC. Next Steps: DHS will determine if, when, and how to implement this motion.
Next STAC Meeting: <ul style="list-style-type: none"> September 6, 2017 Agenda Items for next STAC meeting
