Legal Authority for Department Action

Under Wis. Admin Code DHS §110.55,

Department Action

Based on the records submitted, it has been determined that you failed to assure EMS personnel were properly licensed and credentialed in accordance with Wis. Admin. Code 110 and Wis. Stat. ch 256.

You are the service director for a Wisconsin EMS service. One of the practitioners with your service ran calls after their license expired. The Department reviewed records and conducted interviews to confirm these facts. Additionally, during an interview with you, you confirmed these facts as accurate.

In accordance with Wis. Admin. Code DHS §110.55, the Department will post a copy of summary of the letter of warning, which does not identify the recipient of the letter, on the Department's EMS website, will retain a copy of this letter of warning in your file, and may consider it in determining what further enforcement action may be appropriate if subsequent violations occur.

Pursuant to Wis. Admin. Code DHS § 110.55, the Department's issuance of this letter of warning is a final decision of the Department and is not subject to an administrative hearing.

If you have any questions regarding this decision, please contact me at 608-266-8853 or mark.mandler@dhs.wisconsin.gov.

Sincerely,

Mark Mandler
