Starting October 19, 2024, agency workers must use this new script to verbally explain Food Benefits Replacement to all FoodShare members and/or Summer EBT recipients requesting them.

### **Background**

As of October 19, 2024, the Wisconsin Department of Health Services (DHS) is implementing a new process, so that FoodShare members and/or Summer EBT recipients can request replacement food benefits online.   - I agree to provide proof of what I have said.
  - The Wisconsin Department of Health Services (DHS) has the permission to verify any information that is needed to fulfill a request.

My civil rights will be upheld. If I feel they aren't, I can file a complaint.
  - DHS will keep my private information confidential. I have the right to request a fair hearing if I disagree with the decision DHS makes about my replacement food benefits.
- Okay, now, I need you to answer the following question: Do you certify, under penalty of law and perjury, that you understand and agree with the statements that I just read to you? **Yes or no?**
- A signature over the phone has the same legal effect and is enforced the same as a written signature. Would you like to sign your replacement food benefits request over the phone? **Yes or no?**
