Name — Member	Name — Hospice	Hospice's National Provider Identifier
Name — Attending Physician		Start Date for Hospice Services

I, the member named above, choose to receive hospice care from the hospice program named above. I acknowledge and understand the following:

- The hospice program is palliative in its goals. This means that the program does not attempt to cure disease but emphasizes the relief of symptoms such as pain, physical discomfort, and emotional stress that may accompany a life-threatening illness.
- By choosing Medicaid hospice benefits, I agree to receive most services from the hospice and attending physician I designated above.
- Under the Affordable Health Care Act, members 20 years of age and under may receive curative treatment services concurrently with hospice services. I understand that upon turning 21, I will no longer be eligible to receive hospice care and curative treatment services concurrently.
- I can choose to discontinue hospice care at any time. To discontinue, I must complete a revocation statement. I can obtain this statement from the hospice coordinator.
- If I choose to withdraw from my Medicaid hospice benefit, I understand that I may re-elect hospice at a later time.
- I can choose to receive hospice care from another hospice program at any time. To change programs, I must first confirm that the hospice to which I wish to be admitted can admit me and on what date. I must inform my current hospice program of my wishes so that arrangements for the transfer can be made. I must document the date I wish to discontinue care from my current hospice, the name of the hospice from which I wish to receive care, and the date that care will start.

Acknowledging and understanding the above, I authorize the above-named hospice to begin providing Medicaid-covered services on the date indicated above. I designate the physician named above as my attending physician.
