## SCHOOL REPORT TO THE DISTRICT ATTORNEY

**School**: If your school is not subject to FERPA (Family Educational Rights and Privacy Act), please complete this report and send it to the district attorney in the county where the student resides, not to the Department of Health Services.

**District Attorney**: The following students are not in compliance with the Student Immunization Law 252.04. As required under this law, we are notifying your office so that legal action may be taken.

Per Wisconsin Statutes Chapter 252.04 (6), the school, childcare center, or nursery school shall notify the district attorney of the county in which the student resides of any minor student who fails to present written evidence of completed immunizations or a written waiver under sub. (3) within 60 school days after being admitted to the school, child care center, or nursery school. The district attorney shall petition the court exercising jurisdiction under chs. 48 and 938 for an order directing that the student be in compliance with the requirements of this section. If the court grants the petition, the court may specify the date by which a written waiver shall be submitted under sub. (3) or may specify the terms of the immunization schedule. The court may require an adult student or the parent, guardian, or legal custodian of the minor student who refuses to submit a written waiver by the specified date or meet the terms of the immunization schedule to forfeit not more than \$25 per day of violation.
