

RECIPROCITY PRIVILEGES CHECKLIST

Instructions: The information listed below must be received by the Wisconsin Department of Health Services, Radiation Protection Section, at least three days prior to work commencement along with the fee stated in Wis. Admin. Code § DHS 157.10(3). **Failure to provide this information, and fee will result in denial of reciprocity privileges.** Any person who holds a specific license from the Nuclear Regulatory Commission (NRC) or another agreement state, and issued by the agency having jurisdiction where the licensee maintains an office for directing the licensed activity and at which radiation safety records are normally maintained, is hereby granted a general license. Under the provisions of Wis. Admin. Code § DHS 157.14, the activities authorized in such licensing document may be performed within the state of Wisconsin for a period not in excess of 180 days in any calendar year.
