C Context	F Data Source for Measurement	

1.

- A. Objective 1: Profile 159316
Agency will provide comprehensive family planning services per QFP guidelines (CDC) while maintaining patient privacy, confidentiality, & patient rights. Agency will comply with all program requirements set by WI DHS, RHFP program & WI statutes.
- B. Demonstrate compliance with state statutes to operate as a family planning program. Collect & report required data as outlined in the Scope of Work (SOW). Provide high-quality reproductive health services & meet requirements outlined in the SOW. Participate in oversight activities as described in the SOW. Submit budgets, modifications & monthly expense reports.
- C. RHFP funded clinics must meet administrative, clinical, & fiscal requirements.
- C.
- D. Comply with all RHFP program requirements, relevant WI statutes, reporting requirements, & program quality indicators outlined in the SOW & required activities. Maintain good standing of all licensed personnel. Report quality data that reflects program activities. Attend quarterly check-ins with the CM & monthly RHFP program meetings. Participate in RHFP program site visits. Notify RHFP program of operational, budgetary, service delivery concerns & technical assistance needs. Maintain access to the ForwardHealth Portal for handbooks and receive updates. Provide the following services: STI screening, testing, & treatment, Minimum of first 3 months of FDA approved primary contraception, Reproductive life planning, Pregnancy testing, education, & appropriate referrals, Dual protection kits, implement approved RN clinical protocols signed by a Medical Director. Participate in Clinical oversight activities as outlined in the SOW. Fiscal reporting & approval requirements: Submit an annual approved budget with narrative. Budget revisions must be approved. Budget revisions across categories of more than 10% must be approved. By November 30, 2024, the agencies will submit updated patient Schedule of Discounts & cost analysis to RHFP program. Follow patient fee waiver & schedule of discounts requirements for applicable patients Profile IDs & GEARS Expenditure Reports: Profile IDs are used by DHS to facilitate the processing of payments made under DHS agreement. Subrecipients will receive a SOW for each funding stream. GEARS expenditure reporting: Expense reports must be submitted monthly via Smartsheets to the CM; a copy will be emailed to GEARS. The following Profile IDs must be on each GEARS report: Profile ID#159316: funded through MCH - Title V Grant for the provision of Dual Protection services. Profile ID#191003: report match for MCH ; Title V Grant Dual Protection services. Match is required & must be 75% of Title V funds. Local match is the value of local agency efforts to advance MCH efforts that exceed the MCH funding allocation. Funds eligible to meet match requirements include local government appropriations, non-federal grants, other state funds, reimbursements from third parties, fees, & corporate contributions. In-kind match can be identified by identifying a value of donated time, services, supplies, equipment, & meeting space. Funds not eligible for match include any costs used to match any other federal grant, award, or contract. No federal dollars may be used for match except Medicaid & Medicare reimbursements received by the subrecipient for services when such are used to further the objectives of the MCH Program

Additional fiscal requirements: Follow requirements of WI DHS Accounting Policy & Procedures Manual. Provide overview of the agency's billing & coding policies & procedures. Provide evidence of how they enroll eligible patients into BadgerCare; FPOS & evidence of invoices for billing & coding Medicaid & third parties. Use Fee Exempt & other sources of payment through the WSLH; as the payment sources of last resort. May not use funds for equipment over \$5,000, remodeling, or construction.
- E.
- F. Quarterly check-in, REDCap, GEARS, additional reports such as site visits
- G.
