# Katie Beckett Medicaid, SeniorCare, and Wisconsin Well Woman Medicaid

IMAC Presentation

August 2024

Overview

On October 19, 2024, these programs will be migrated to CWW:

- Katie Beckett Medicaid

- SeniorCare

- Wisconsin Well Woman Medicaid (WWWMA)

Like with Wisconsin Works (W-2), Income Maintenance (IM) workers may interact with new pages within CWW or notice changes to existing pages. IM workers will have read-only access to the new pages.

Katie Beckett Medicaid

Katie Beckett Medicaid serves children under age 19 who live at home and have certain health care needs.

It helps children who:

- Have complex medical needs.

- Have long-term disabilities.

- Have mental health needs.

- Want to receive home and community-based services instead of living in a hospital or other institution.

SeniorCare

SeniorCare is a prescription drug assistance program for Wisconsin residents aged 65 or older who are not a full-benefit Medicaid member.

They must also:

- Be a U.S. citizen or have qualifying immigrant status.

- Pay a $30 annual enrollment fee per person.

Wisconsin Well Woman Medicaid (WWWMA)

WWWMA is a full-benefit Medicaid plan. It covers people under age 65 who have been diagnosed with and need treatment for breast or cervical cancer or certain precancerous conditions of the breast or cervix.

A person must be enrolled in one of these programs before they can initially enroll in WWWMA:

- Wisconsin Well Woman Program (WWWP)

- Family Planning Only Services (FPOS)

- BadgerCare Plus

Changes in CWW

Inbox Pages – Katie Beckett Medicaid

Existing CWW Inbox pages will be enhanced to allow Katie Beckett workers to search for Katie Beckett Medicaid RFAs, Applications, Cases, Change Reports, and Renewals.

IM workers will not be able to update fields related to Katie Beckett but will have query access.

Client Registration – Katie Beckett Medicaid

Multiple pages within Client Registration will be enhanced to allow Katie Beckett workers to collect information for a Katie Beckett Medicaid request :

- Program Requests

- Complete Request for Assistance

- RFA Summary

The new fields will display for IM workers during the client registration process but will be disabled.

Non-Financial Pages – Katie Beckett Medicaid

Changes in Correspondence

Correspondence

CWW will send approval notices for Katie Beckett.

Approval notices for WWWMA will be manually sent using the Manual Letter Selection page.

CWW will also send denial or termination notices as well as 45-day Renewal Letters for all three programs.

All notices are viewable in the CWW Correspondence History page.

Verification Checklist

Katie Beckett Medicaid will use the existing VCL to send verification requests to applicants and members.

- One combined VCL will be sent if verification is also required for FoodShare, Health Care, Caretaker Supplement, Wisconsin Shares Child Care, or Wisconsin Works (W-2).

- The agency contact information section will be enhanced to populate the Katie Beckett agency contact phone number along with the other program contact information.

SeniorCare and WWWMA will use separate VCL notices.

All VCLs will be viewable in Correspondence History.

Changes in ACCESS

Changes in ACCESS

Katie Beckett Medicaid will now be added to the following modules in ACCESS:

- Am I Eligible (AIE)

- Apply for Benefits (AFB)

- Check My Benefits (CMB)
