AGENDA

Nursing Assistants in
Wisconsin

Recruitment and
Retention Strategies

Translating Data
into Action

A graphic on the left side of the page features a silhouette of the state of Wisconsin. The silhouette is filled with a vertical gradient from yellow at the top to blue at the bottom. Overlaid on the western part of the map is a white circular logo consisting of several concentric, slightly irregular lines.

COMMITMENT

Adult learner-centered instruction methods engage trainees.

A competency-based approach helps ensure workers are well prepared.

An Illinois-based training collaborative confirmed that training methods matter.

Supportive supervision promotes skill development and problem-solving.

The Coaching Approach to Supervision[®]
saves time and improves care.

Peer mentorship programs improve job satisfaction.

Mentors and mentees benefited at a home care agency in upstate New York.

Partnerships with local organizations
can reduce employment barriers.

A long-term care provider brought
childcare services to workers.

Car leasing programs can help workers overcome transportation barriers.

TRANSLATING DATA INTO ACTION

When my organization implements a new employment policy or program, we collect data to measure its success.

PROCESS

IMPACT

- 1** Involve stakeholders
- 2** Design the evaluation
- 3** Collect a range of data
- 4** Analyze results
- 5** Report findings

INPUTS

What resources will you need to launch and sustain your program?

EXAMPLE:

Staff time
Physical space

ACTIVITIES

What do you plan to do with those resources?

EXAMPLE:

Develop curriculum
Conduct training

OUTPUTS

If all activities go according to plan, what will you produce?

EXAMPLE:

Curriculum
Trained workers

OUTCOMES

How will those outputs benefit program participants?

EXAMPLE:

Knowledge gained
Higher confidence

IMPACT

How will individual outcomes lead to global change in your organization?

EXAMPLE:

Better care
Lower turnover

- 1** Involve stakeholders
- 2** Design the evaluation
- 3** Collect a range of data
- 4** Analyze results
- 5** Report findings

VOLUME

- Full-time workers
- Part-time workers

STABILITY

- Turnover
- Retention
- Vacancies

COMPENSATION

- Average wage
- Starting wage
- Experienced wage
- Benefits
