

The Children and Youth with Special Health Care Needs Program

Promoting quality care for children and youth with special health care needs in Wisconsin.

<http://dhs.wisconsin.gov/health/children/>

The Children and Youth with Special Health Care Needs Program in the Division of Public Health, Wisconsin Department of Health Services, collaborates with national, state and community-based partners to link children to appropriate services, close service gaps, reduce duplication and develop policies to better serve families.

P-00080 (05/09)

Program Goal:

- To assure that children and youth with special health care needs are:
- identified early,
 - receive high quality coordinated care, and
 - their families are supported.

Advancing National Performance Outcomes, by strengthening:

- Parent Leadership
- Medical Homes
- Health Insurance Coverage
- Screening and Identification
- Coordinated Services
- Transition to Adult Life
