Role of DDB

- DDB determines medical eligibility of applicants for:
 - Social Security disability programs
 - Medicaid disability programs
- If medical records are not sufficient, DDB purchases a consultative examination to obtain objective medical findings as required by Social Security regulations.
- DDB considers the consultative examination findings, along with the totality of evidence in the applicant's file, to make a medical eligibility determination.

Benefits of Joining the Consultative Examination Panel

- Flexible scheduling:
 - No holidays
 - Weekends optional
- Timely payments from DDB within 30-45 days.
- No ongoing treatment relationship with the applicant.
- Electronic report submission option with a free teledictation service.

Role of the Consultation Examination Provider

- Appointments are scheduled approximately 14 days in the future.
- Following the provided Social Security Administration protocol, you complete your examination, then submit your signed narrative report to DDB within 10 days.
- You do not make the medical eligibility determination.

Desired Qualifications

- You must be licensed and in good standing in your field.
- A willingness to evaluate the full age range of applicants within your specialty is valued.
- Bilingual abilities are preferred.
