Gobolka Wisconsin, **Kaar toosan**
ayaa la siiyaa dadka ka yar 21 jir.

TUBAAKO MA IIBISAA? ISKA HUBSO AQOONSIGA OO XAQIJI IN QOFKU GAARAY 21 JIR.

Tallaabada 1aad: Kaarka kor u qaad.

Dadka reer Wisconsin waxaa laga yaabaa in ay sii haystaan kaar toosan oo aan weli dhicin markay gaaraan 21 jir, waxaa muhiim ah in aad si fiican isaga hubiso kaarka.

Tallaabada 2aad: Fiiri taariikhda dhalashada.

Mar kasta waxaa dhici kara wax aadan fileyn. Leysanka wadista baabuurta ee Wisconsin ama aqoonsiga gobolka, taariikhda dhalashada waxay ku qoran tahay sawirka qofka hoostiisa ama dhinaciisa.

Tallaabada 3aad: Ogow ama xisaabi taariikhda qofka gaari doono 21 jir.

Haddii aadan haysan taariikh sheegaha FDA ee lagu xaqiijiyo da'da ama abka taleefanka, adigu xisaabi taariikhda. Sannadka dhalashada ee qofka ku dar 20. Ka dibna ku sii dir 1 sano.

Tallaabada 4aad: Miyaan la gaarin taariikhda dhalashada qofka ee 21ka sano?

Haddii aan la gaarin, u sheeg sida runtu tahay. Waxba ha ka iibin ee ogeysii sharciga federaalka ah sida uu dhigayo.

Waxaa soo diyaariyey **Wisconsin Wins**, oo ah urur dukaamada Wisconsin ku caawiya in sharciga la raaco. Faahfaahin dheeraad ah ka eego: dhs.wi.gov/tobacco21
