

WISCONSIN SCHOOL IMMUNIZATION RATES

2023-2024 SCHOOL YEAR

[Wisconsin Student Immunization Law](#) requires students to receive a [minimum number of immunizations](#), be in the process of receiving those immunizations, or have a signed waiver in order to attend school and comply with the law. Every fall, schools are required to report the aggregate number of students who have met the minimum immunization requirements, are in the process of meeting the requirements, are behind schedule, have a waiver, or have no immunization record or waiver on file. Below are results from the 2023-24 school year.

Highlights

For the 2023-24 school year, 2,795 schools reported information on 909,347 students.

FULLY IMMUNIZED ACCORDING TO THE LAW

During the 2023-24 school year, **89.2%** of students met the minimum immunization requirements, a **0.7%** point decrease from the previous year.

BEHIND SCHEDULE WITH IMMUNIZATIONS

During the 2022-23 school year, **1.9%** of students were behind schedule. This is a **0.9%** point decrease from the previous year.

WAIVED ONE OR MORE IMMUNIZATIONS

The percentage of students with a waiver (personal conviction, religious, or medical) for one or more immunizations increased from **1.6%** during the 1997-98 school year to **6.1%** during the 2023-24 school year.

The percentage of students with religious and medical waivers have remained relatively constant, but percentage of students with a personal conviction waiver increased from **1.2%** during the 1997-98 school year to **5.2%** during 2023-24.

WAIVED ALL IMMUNIZATIONS

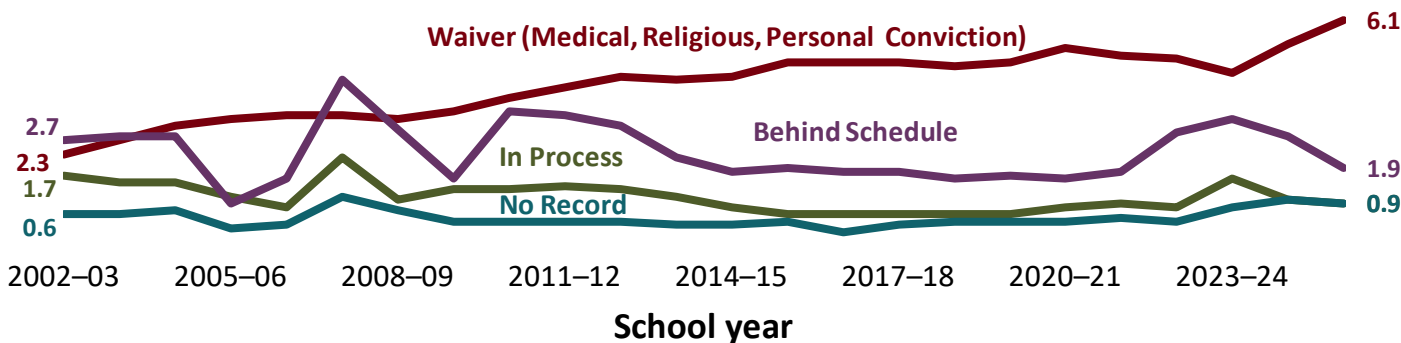

Schools reported the number of students who had received no immunizations and had a waiver for all immunizations. **1.9%** of students had waived all immunizations during 2022-23 school year, a **0.3%** point increase from last school year.
