Dear Mr. Renk and Mr. Fuller:

I am pleased to submit to the Legislature information regarding Environmental Impact Statements in accordance with Wis. Stat. § 1.11(2)(j). The Department of Health Services reports that no Environmental Impact Statements were issued during the report period of July 1, 2019, through June 30, 2020. One Environmental Assessment was conducted for the expansion of the Mendota Juvenile Treatment Center at Mendota Mental Health Institute. It was determined that the replacement does not have a significant negative effect on the environment.

Sincerely,
