

Drug Take Back Day

Safe disposal saves lives.

Safely disposing of medications helps protect your family, friends, community, and the environment. Do your part to keep unused and expired medications out of unlocked cabinets, the trash, and our water supply.

Here is the next Drug Take Back Day event, sponsored by the Wisconsin Department of Health Services and Wisconsin Department of Justice:

Can't make it? You've got free and confidential options!

How do you prepare for safe disposal? Simply collect all your unused and expired medications, remove prescription labeling from the outside of the containers, and place them in a plastic zip-top bag.

Permanent drop locations

Wisconsin has many drug disposal locations available year-round. Visit doseofrealitywi.gov to find a convenient location near you.

Remember, you should never dispose of your medications in the trash or down a drain.
