

WisCaregiver Careers

WisCaregiver.com

Enjoy the rewards of a caregiving career

If you ever thought you might like to enter the field of health care, WisCaregiver Careers is your opportunity. Whether you are a high school student thinking about your future or someone currently employed who's looking for more meaningful work, WisCaregiver Careers will help you get the training you need—for free!

- ✓ Free training
- ✓ Bonuses up to \$500
- ✓ In-demand credentials
- ✓ Exclusive access to the WisCaregiver Connections job platform

Two great caregiving pathway options

People across Wisconsin enjoy the rewards, stability, and flexibility of a health care career. Why not you? WisCaregiver Careers can help you choose your path.

Certified Direct Care Professional (CDCP)

- Online training at your own pace in less than 40 hours
- Provide care in clients' homes and community settings
- Grow into other health care professions

Certified Nurse Aide (CNA)

- On-the-job training while you get paid
- Assist nursing home residents with activities of daily living
- Find an employer where you can earn and learn
