

Clinical Guidelines and Protocols

The Wisconsin Well Woman Program requires clinical follow-up for all abnormal breast and cervical cancer screenings and diagnostics for WWWP eligible clients. Follow-up of abnormal findings should be based on professionally accepted clinical guidelines.

Listed below are some sources for published screening recommendations, clinical guidelines and protocols for the management of breast and cervical cancer screening from nationally recognized and credible organizations.

Breast Cancer Screening Recommendations

- [American Cancer Society \(ACS\) Breast Cancer Screening Guidelines](#)
- [American College of Obstetricians and Gynecologists \(ACOG\)](#)
- [US Preventive Services Task Force Screening Recommendations \(USPSTF\)](#)

Breast Cancer Clinical Guidelines and Protocols

- [American College of Radiology \(ACR\) Breast Imaging and Reporting Data System Atlas \(BI-RADS\)](#)
- [Mammography Quality Standards Act and Program](#)
- [National Comprehensive Cancer Network \(NCCN\)](#)

Cervical Cancer Screening Recommendations

- [American Cancer Society \(ACS\) Cervical Cancer Screening Guidelines](#)
- [American College of Obstetricians and Gynecologists \(ACOG\)](#)
- [US Preventive Services Task Force Screening Recommendations \(USPSTF\)](#)

Cervical Cancer Clinical Guidelines and Protocols
