Background

The Wisconsin Council on Mental Health (WCMH) is legislatively mandated under section 15.197(1), Wisconsin Statutes, as the mental health planning Council for the State. It was created to advise the Governor, the Legislature and the Department of Health Services on the allocation of Mental Health Block Grant funds. The Council has 20 to 25 members appointed by the Governor, meeting bi-monthly. At least 50 percent of the members are consumers and/or family members.
